Directory of Open Access Journals (DOAJ)

DOAJ is a community-curated online directory that indexes and provides access to high quality, open access, peer-reviewed journals. DOAJ is independent. All funding is via donations, 40% of which comes from [sponsors](#) and 60% from [members and publisher members](#). All DOAJ services are free of charge including being indexed in DOAJ. All data is freely available.

DOAJ operates an education and outreach program across the globe, focussing on improving the quality of applications submitted.

[The Council of Australian University Librarians \(CAUL\) and the Council of New Zealand University Librarians sign up as sustainable funders promoted by SCOSS](#)

DOAJ is very pleased for the support received from CAUL and the Council of New Zealand University Librarians (CONZUL) towards a sustainable funding model promoted by SCOSS. These two new additions enlarge the list of institutions who have committed funds to support DOAJ and Open Access. The Council of Australian University Librarians (CAUL) is pleased to be a [...] [Read More...](#)

The screenshot shows the National Digital Library of India (NDL) website. The browser address bar displays <https://ndl.iitkgp.ac.in>. The page features a green header with a search bar and navigation options. The main content area includes a large banner with the text: "Repository hosts contents from multiple subject domains like Technology, Science, Humanities, Agriculture and others". To the right of the banner is a "Member Log-In" section with fields for "E-mail address", "Enter your password", and "Enter the displayed text". Below the login fields are buttons for "Account recovery", "Register", and "Log-In". The footer contains a list of links such as "About", "Disclaimer", "FAQ", "Help", "Institutional Registration", "Sponsor", "Contact", "Career", "NDL India Video YouTube Link", and "Feedback". Social media icons for Facebook, Twitter, YouTube, and LinkedIn are also present, along with "Get it on Google play" and "Download on the App Store" buttons. The Windows taskbar at the bottom shows the time as 10:25 on 03-08-2018.

The screenshot displays the iThenticate software interface. At the top, it shows the iThenticate logo and the document title "GeoMeette". The overall match percentage is 82%. A "Match Overview" table on the right lists four matches with their respective percentages: 68%, 11%, 3%, and <1%. The main content area shows a document titled "RESEARCH" with a section titled "Consider if we are nearer to solving global warming". The text in this section is highlighted in red, indicating matches. A bar chart titled "Causes of global warming" is also visible, showing data for four categories: 2000, 2005, 2010, and 2015.
