its various programmes being offered at Hyderabad headquarters, Lucknow and Srinagar (J&K) campuses and 9 colleges of Teacher Education and 5 Polytechnics spread all over the country.

Hyderabad: Maulana Azad National Urdu University (MANUU) has started admission process for the year 2019-20 into its various programmes being offered at Hyderabad headquarters, Lucknow and Srinagar (J&K) campuses and 9 colleges of Teacher Education and 5 Polytechnics spread all over the country.

The only Central University offering higher education through Urdu medium has introduced two new vocational courses namely Medical Imaging Technology (MIT) and Medical Laboratory Technology (MLT) at undergraduate level at its headquarters. In addition, 25 Ph.D. programmes; 21 PG programmes and 8 Undergraduate programmes are available for admission under the Schools of languages, Education, Arts & Social Sciences, Computer Science & Information Technology, Mass Communication & Journalism and Sciences.

According to a notification released by Dr. M A Sikandar, Registrar, last date for online application for entrance based courses is 1st May, 2019 whereas last date for merit based courses is 30th June, 2019.

MANUU, which also works as a link to facilitate the entry of Madrassa pass outs into main stream education, is also offering bridge courses at UG level for them.

Part time diploma programmes include the Ghazal Appreciation (Tahseen-e-Ghazal) course also. This is a unique programme designed to make the Ghazal loving non-Urdu public understand the basic nuances of this popular Urdu literary genre.

For more details, online application and e-prospectus logon to university website www.manuu.ac.in. or email to admissionsregular@manuu.edu.in.

World Water Day at Maulana Azad National Urdu University

Published on Mar 25 2019 | Updated on Mar 25 2019

Maulana Azad National Urdu University (MANUU), National Service Scheme (NSS) Cell organized a special programme on World Water Day at the HKS Centre for Deccan Studies premises. Students, volunteers & staff took the pledge to save water. Prof. Mohammad Fariyad, NSS Coordinator while addressing students said world water day is celebrated every year on 22nd March. It was started in the year 1993 to build public awareness and involvement in protecting water resources around the world. He said a billion population is still living without safe water. As many as one billion people in India live in areas with physical water scarcity. Our country is currently ranked 120 among 122 countries in the water quality index, he informed.

NSS volunteers

exhibited poster presentation based on theme 'Save Water'. NSS officer Mr. B. Bikshapati, Dr. Mohd. Afsar Ali Raieni also spoke on the occasion.
