

MANU University introduced display system of answer scripts to the students

Published on Jun 26 2019 | Updated on Jun 26 2019

Maulana Azad National Urdu University (MANUU) has introduced the display system of answer scripts to the students after evaluating and before declaration of results from the semester examinations held in May 2019 for all the regular courses offered by it all over India. MANUU is the first

Central University in the Country to introduce this system. The answers scripts were shown and discussions on answers held for all those students who showed up, thereafter, the results are declared in less than 20 days from the date of the completion of the examinations.

Dr. Mohammad Aslam Parvaiz, Vice Chancellor initiated this system in MANUU to bring transparency in the examination and evaluation system. The idea is to improve the learning experience of the students in MANUU, he observed.

This is a big reformation, which makes examination not just a system of learning-assessment but a system of enrichment of learning. Through this system the students are provided opportunity to learn till the declaration of their results. Students on seeing their answer scripts can discuss with their teachers as to where they need improvement, what their strengths & weakness are, what steps should they take to enhance their learning and so on.

Prior to the implementation of the system a committee of senior Professors, Controller of the Examinations, Director, Internal Quality Assurance Cell (IQAC) and Director, Centre for Information Technology (CIT) was formed to look into the various aspects of the system and its implementation procedure.

A mechanism to address the issues pertaining to marks/grades has also been devised in the form of Evaluation Grievance Redressal Committees (EGRC) for each Departments.

Earlier, a workshop was also conducted on 16th April 2019 in which the Vice-Chancellor spoke about the importance of transparency, quality of evaluation, and scheme of awarding marks and grades.

MANUUintroduces display system of answer scripts to students

Press Trust of India | Hyderabad Last Updated at June 26, 2019 18:45 IST

: In a step towards bringing in transparency and helping students view their answer scripts, city-based Maulana Azad National Urdu University Wednesday said it has introduced the display system of answer scripts to the students after evaluating and before declaration of results.

The display system has been introduced from the semester examinations held in May 2019 for all the regular courses offered by the varsity all over the country, a release from MANUU said.

MANUU is the first Central University in the country to introduce this system, it said.

The original answers scripts were shown and discussions on answers held for all those students who showed up (in the classrooms after evaluation), a MANUU official said.

Thereafter, the results are declared in less than 20 days from the date of the completion of the examinations, he said.

MANUU Vice Chancellor Mohammad Aslam Parvaiz initiated this system in the university to bring transparency in the examination and evaluation system.

"The idea is to improve the learning experience of the students in MANUU," the Vice Chancellor observed.

This is a big reform, which makes examination not just a system of learning-assessment but a system of enrichment of learning, he said.

Through this system the students are provided opportunity to learn till the declaration of their results.

Students on seeing their answer scripts can discuss with their teachers as to where they need improvement, what their strengths and weakness are, what steps should they take to enhance their learning and so on, the official said.

Prior to the implementation of the system a committee of senior professors, Controller of the Examinations, Director, Internal Quality Assurance Cell and Director, Centre for Information Technology was formed to look into the various aspects of the system and its implementation procedure, the release said.

A mechanism to address the issues pertaining to marks/grades has also been devised in the form of Evaluation Grievance Redressal Committees for each department, the release added.

BJP's target is to form govt in T'gana in 2023: Chouhan

(By K Surendra Babu)

Hyderabad, June 26 : Buoyed by BJP's impressive gains in Telangana in the recent Lok Sabha elections, former Madhya Pradesh chief minister Shivraj Singh Chouhan Wednesday said the party's next target was to capture power in the state in 2023 assembly polls.

Describing the good performance in West Bengal and Telangana as "very significant", he said BJP was not satisfied with it and was aiming at forming governments in states where it was not in power.

"Our next target is formation of BJP government in Telangana in 2023," Chouhan, vice-president of BJP, told reporters here. After a dismal show in the assembly polls held in

December last year when it won only one of the 119 segments, BJP pulled off a surprise in the Lok Sabha elections, bagging four of the 17 seats in the state. Chouhan thanked the people of Telangana for

showering their love and blessings on Prime Minister

Narendra Modi and the BJP. He flayed Telangana Chief Minister K Chandrasekhar Rao for skipping the NITLAayog meet ing in Delhi, not functioning from the Secretariat and also "for not implementing" central schemes such as the 'Ayushman Bharat' in the state. The government advisor on 'Vastu' issues had been

given the status of a minister in the state, he said. Aleging that Rao was engaged in "marketing" him-self, he said the TRS government's advertisements appear in newspapers even in Madhya Pradesh

Chouhan, who is the party's "pramukh" (convener) for membership drive, said the campaign would be gin on July 6, the birth anniversary of Syama Prasad erjee and continue til August 11.

BJP would reach out to all sections of people induding those working in different professions in membership enrolment, he added.

Narasimha Rao tried to sideline Gandhi family: AICC secretary

(By Mohd Khadar) Hyderabad, June 26 : A day after Prime Minister here Reddy daimed Mus ims moved away from Congress following the demolition of the disputed structure at Ayodhya as they felt that the Centre Narendra Modi accused Congress of neglecting its leader and former PM P V Narasimha Rao and othcould have stopped it with

all the powers it had. "Central intelligence ers, AICC secretary G Chinna Reddy Wednesday alleged the late leader had department, Prime Ministried to "sideline" the ter, National Security Ad-Nehru-Gandhi family durviser and all had the ining his tenure Reddy, a former Congress minister in the undivided Andhra formation (about the trouble)," he said In his speech in Parliament Pradesh, also sought to Tuesday, Modi had said while his government had given Bharat Ratna to vetblame Rao over the Babri Masjid demolition in De-cember, 1992 when he eran Congress leader and was the prime minister, former president Pranab saying it alienated Muslims Mukherjee, the opposition party couldn't think about from the party. Rao was made Prime Minister by former Conbestowing the honour to

former prime ministers Rao and Manmohan Singh Modi was making a counter attack to the gress president Sonia Gandhi, he claimed. "PV Narasimha Rao ji

tried to politically suppress charge that he was not recognising Congress leaders' contributions. Reddy also appeared to criticised Mukherjee, saythe family, Sonia Gandhi ji and Congress party, which helped him become Prime Minister. He tried to sideing he was a great par-liamentarian and a great administrator, but accepted the RSS invite to speak at ine that family (fearing) he its meeting in Nagpur.

Student-Friendly

MANUU introduces first of its kind exam reform

Answer scripts will be displayed after evaluation and before declaration of results

CITY BUREAU

HYDERABAD

The students of Maulana Azad National Urdu University (MANUU) will get to view their evaluated answer scripts before announcement of the results.

The MANUU has introduced a student friendly examination reform to display answer scripts of students after evaluation and before declaration of results from the semester examination held in May 2019. By doing so, the MANUU has become first Central university in the country to bring in such reform.

The new system will be applicable to all the regular courses offered by the Central university across various campuses in the country. Apart from displaying the answer scripts, discussions will be held on the answers written by candidates who show up and later results will be declared in less than 20 days from the date of completion of exams.

After checking the valued answer scripts, students can discuss with their teachers as to where they need improvement, what their strengths and weakness were, what steps should they take to enhance their learning and so on, the university said. The new system had been initiated to bring in

Manuu to show evaluated answer sheets before results

TIMES NEWS NETWORK

Hyderabad: Maulana Azad National Urdu University (Manuu) is set to become the first central university in the country to show evaluated answer sheets to students before the declaration of results.

According to a press release by the university on Wednesday, the system will be applicable from the semester examinations held in May 2019 for all the regular courses offered by it across the country.

"The idea is to improve the learning experience of the students in Manuu. The system also aims to bring transparency in the examination and evaluation system," said Mohammad Aslam Parvaiz, vice-chancellor, Manuu.

APPLICABLE FROM SEMESTER EXAMS

As per the newly introduced system, the original answers scripts will be shown to students and discussions on answers will be held in the classrooms postevaluation. The results will be declared in less than 20 days from the date of completion of the examinations.

Through this system the students will be provided an opportunity to learn till the declaration of their results," added Parvaiz,

Prior to the implementation of the system, a committee of senior professors, controller of the examinations, director, internal quality assurance cell (IQAC) and director, Centre for Information Technology (CIT) was constituted to look into various aspects of the system and its implementation procedure. Additionally, a mechanism to address the issues pertaining to marks has been devised in the form of evaluation grievance redressal committees (EGRC) for each departments.

TRANSPARENCY MANUU to reveal answer scripts before results are out

EXPRESS NEWS SERVICE

IN a first for Central universities of the country, students of Maulana Azad National Urdu University (MANUU) will now be able to take a look at their answer scripts before the results are declared. The system is being touted as a step to promote transparent and quality evaluation and as an attempt to improve the scheme of awarding marks and grades.

The Urdu varsity will introduce the system of displaying answer scripts to the students post-evaluation and before declaration of results from the semester examinations held in May for all regular courses offered by it across India.

Speaking about the new initiative, MANUU vice chancellor Mohammad Aslam Parvaiz, said the answer scripts will be shown to students, who can have a discussion with the faculty if not satisfied with their marks. Thereafter, the results would be declared within 20 days from the date of the completion of the examinations, he said.

STUDENTS AT MANUU GOT TO CHECK SCRIPTS

DC CORRESPONDENT D HYDERABAD, JUNE 26

In a novel initiative, the Maulana Azad National Urdu University has decided to show the final exam answer scripts to student before the results are declared.

The move, which is a deviation from regular practice, is being carried out after it was found out in several workshops that exams must not be made the end point but also a need to enrich the student's learning experience.

To put this theory into practice, MANUU, which had held its semester examinations in May 2019, had the students check their answer scripts and discuss with their teachers on the points where they can improve in the next semester.

The results were declared only after the session. Meanwhile, the feedback from the students showed that the method in which they approached the subject for the learning process needs improvement.

Dr Mohammad Aslam Parvaiz, Vice Chancellor in MANUU said, "The system has been introduced to bring transparency in the examination and evaluation system. The idea is to improve the learning experience of the students."

The corridors of Universities often have the students gossip that their professors have been biased and purposely failed them tut showing these scripts also helps them understand that they are evaluated on the basis of what they write and not on their conduct in the classroom, explained a senior faculty.

The new method is being taken up to ensure student friendly assessment where there is scope for improvement and better performance.
