Hyderabad: Maulana Azad National Urdu University (MANUU), Hyderabad has secured a total score of 76% in Transparency Audit of the Right to Information Act carried out by the Central Information Commission (CIC). The performance by MANUU on this front is far better than other Public Authorities. The Commission made a general assessment of various public authorities to take stock of its quality, strengths, and weaknesses through websites.

MANUU being a Public Authority participated in the audit and had submitted the proforma supplied by CIC and ISTM (Institute of Secretariat Training & Management) of Department of Personnel and Training, Ministry of Personnel, Public Grievances & Pensions, GoI. As per CIC record, among a total of 2092 public authorities of India only 838 have participated in the audit.

During the visit, the audit team examined the documents, records, manuals, and information available on the University website as part of voluntary disclosure of information held by the public authorities. The audit was conducted based on the parameters – organization & functions, budget & programme, publicity & public interface, E-Governance, information as may be prescribed, information disclosed on own initiative.

The Vice-Chancellor, Dr Mohammad Aslam Parvaiz and other officials of MANUU expressed their satisfaction for the achievement made by the University in Audit Transparency.

RTI Act audit rates 76% transparency at MANUU

EXPRESS NEWS SERVICE
@Hyderabad

MAULANA Azad National Urdu University (MANUU), Hyderabad has secured a total score of 76 per cent in Transparency Audit of the Right to Information Act carried out by the Central Information Commission (CIC).

At 88 per cent National Geophysical Research Institute (NGRI) is the only other institution from the State to have secured a rank better than MANUU. While NGRI has secured B grade, MANUU received C grade. The transparency parentage of other institutions from the State are CCMB (72 %), Directorate of Oilseed Development (76%), Institute of Hotel Management (IHM) (67 %), Indian Institute of Chemical Technology (IICT) and Indian Institute of Technology Hyderabad (IIT) at 46 per cent.

Vice-chancellor of MANUU Dr Mohammad Aslam Parvaiz said the performance of the varsity on transparency audit front is far better than other public authorities. He said the audit team examined the documents, records, manuals and information available on the University website as part of voluntary disclosure of information. Audit was conducted based on various parameters.
