Parents of Almuni and present students are invited.
Hyderabad: Two-day National Urdu Science Congress 2019 ended today at Maulana Azad National Urdu University (MANUU) with a call to popularize science.

Nine technical sessions witnessed more than 50 paper presenters from different parts of the Country. Dr. Mohammad Aslam Parvaiz, Vice-Chancellor and the brain behind the initiative, described the effort as an attempt to promote and propagate popular science. We need literature aimed at bringing scientific temper among the masses. Urdu Science Congress successfully persuaded few young writers to write on popular science. There were nine such first time paper presenters in the Congress.

MANUU’s Centre for Promotion of Knowledge in Urdu (CPKU) and School of School of Sciences jointly organized the Congress.

Dr. Qazi Siraj Azhar (Michigan University), Dr. Abdul Moiz Shams also address the valedictory. Dr. Abid Moiz, Consultant, CPKU and Covenor of the Congress presented a report and conducted the proceedings. During the congress many books on various science subjects were also released.

A special session was dedicated to celebrate 25 years of Urdu monthly Magazine Science. A unique book on “Eye and Urdu Poetry” compiled by Dr. Abdul Moiz Shams is also released. Prof. Syed Najamul Hasan, Dean, SoS and Director Congress proposed vote of thanks.
Invention gives man reason to live: Prof. Qazi Siraj Azhar

MANUU organizes Third National Urdu Science Congress

Hyderabad:

People who do not invent either vanish or go into obscurity. These were the thoughts expressed by Dr. Qazi Siraj Azhar, Associate Professor, Michigan University, USA at the inaugural session of the Two-day National Urdu Science Congress 2019 organized by the Maulana Azad National Urdu University (MANUU), Hyderabad on National Science Day. Prof. Azhar was speaking as the chief guest on this occasion.

The two-day congress is being attended by participants from as far away as Lucknow, Delhi and Maharashtra, besides faculty and students of MANUU. The participants include practitioners of science, academicians, students, Urdu writers with interest in science and other stakeholders.

Vice Chancellor, MANUU, Dr. Aslam Parvaiz, who presided over the inaugural once again emphasised the university's efforts to provide textbook material in Urdu to the students of MANUU.

Dr. Qaisar Jameel, Head of the Department, Genetics, Bhagwan Mahavir Medical Research Centre, Hyderabad who has also been the former president of the Organisation for Women in Science in the Developing World, exhorted the students to have faith in their culture, traditions, and ethics if they want to succeed in life.

On this occasion, several books written in Urdu on different topics of science were also released.

Prizes were also distributed among students who participated in elocution, essay writing and other competitions on the topic “Science for people, and people of science” held in connection with National Science Day.

The congress is being jointly organised by the Centre for Promotion of Knowledge in Urdu and the School of Sciences.

Prof. Zahid Hussain Khan, retired professor of physics from Jamia Millia Islamia, and Dr. Qaisar Jameel, Head of the Department, Genetics, Bhagwan Mahavir Medical Research Centre, Hyderabad were the guests of honour on this occasion.

Dr. Abid Moiz, Consultant, Centre for Promotion of Knowledge in Urdu & Convener of the congress welcomed the guest & delivered introductory remarks. Prof. S. Najmul Hasan, Dean School of Sciences presented a report on Science competitions and announced the winners. Dr. Ameena Tahseen conducted the proceedings. Later, in the afternoon a special session was held to commemorate 25 years of publication of Urdu monthly “Science”. Dr. Mohammad Aslam Parvaiz it’s Founder Editor was felicitated by Bazm-e-Khawateen, a renowned Women's Organization from Hyderabad.
Police arrest militant involved in weapon snatching

Snigdha, March 1 (GNS): The police on Friday arrested a Lashkar-e-Taiba (LeT) militant who was involved in weapons procurement.

Based on a specific input regarding the movement of a suspected person in the Tana and Jaintia Hills area, a special team of special police force apprehended a person.

On questioning, the police identified themselves as Shekawat Khan, a resident of Budgam district of Srinagar. The police said that the arrested individual was involved in weapons procurement.

The warrant was obtained from court to jail the accused. Further questioning is on.

Hyderabad, Mar 4 (UNI) Indian Space Research Organisation (ISRO) has launched a special programme for School Children called YUva VIgyani KAryakram" (युवकार्यक्रम) or Young Scientist Programme, from this year.

2-Young Scientist Programme launched at ISRO
New Delhi, March 1 (GNS) - Ending several hours of tense waiting, Pakistan's Wing Commander Abhinandan Varthaman finally returned to India on Friday morning at the Wagah border check post, a Pakistani official said.

He had earlier undertaken a medical check-up at Wagah in preparation for the handover.

The official formalities, including the signing of necessary documents and a medical examination by the International Committee of Red Cross, were also completed, reports said. Hundreds of people had gathered at the border check post from early in the morning to welcome the 35-year-old Wing Commander who was captured on Wednesday by Pakistan. The IAF officer was rescued after his MiG-21 Bison fighter jet was shot down by Pakistan Air Force jets on Wednesday near the Line of Control (LoC) in Jammu and Kashmir.

On Friday morning, India's Acting High Commissioner Gaurav Ahluwalia arrived at the Pakistan Foreign Office in Islamabad for a briefing on the imminent release of Wing Commander Abhinandan Varthaman. Wing Commander Abhinandan is to be accompanied back by India's air attack, who was handed over to Lahore with the IAF's pilot's travel documents, Pakistan media reports said.

The Pakistani authorities had brought him from Rawalpindi to Lahore and handed over first to the International Committee of Red Cross (ICRC) representative before being brought to the JCP on Friday afternoon.

The Border Security Force (BSF), which was in charge of the XOP, and the 535-km-long International Border with Pakistan in Punjab, was at high alert, with Punjab Police and other security agencies stationed and additional personnel posted since early morning.

The Border retreat ceremony was also cancelled for the day in view of his return. Varthaman will be debriefed by defence and security officials after his return before he is taken to New Delhi from the Amritsar airport. On Thursday, Pakistan Prime Minister Imran Khan announced that the country will free Varthaman as a “peace gesture”.

Tensions between the two countries escalated after Indian fighters bombed terrorist group Jaish-e-Mohammad’s biggest camp in Pakistan, leading to retaliatory aerial strikes targeting Indian military installations. However, they have eased off. Pakistan today handed Varthaman to India, which had been in possession of him for the last 48 hours.

A 5 security men, one civilian killed in Kupwara operation against militants

Srinagar, March 1 (GNS) – Five security men and four others injured in an ongoing gunfight on Friday in Jammu and Kashmir’s Pulwama district.

One militant was killed during the operation.

The sources earlier said that two more civilians were killed in the encounter after which searches were launched in Kralgund village.

“During the search operation after the firing, two civilians were killed,一方 the two militants, police said.

The gunfight continued in Pulwama area in Handwara tehsil of Kupwara district.

Chief Election Commissioner (CEC) Sunil Arora on Friday said the ongoing tensions between India and Pakistan will have no bearing on the upcoming general elections in April-May this year. (See on page 3)

7% is no downward GDP growth for FY19: Garg

New Delhi, March 1 (GNS) - The government on Friday said there was no downward GDP growth for 2018-19 (at 7 per cent) if seen in the context of growth rates for the last two financial years.

Union Finance Minister Nirmala Sitharaman, while speaking at the 40th Annual Conference of the Indian Economic Affairs (DEA), said on Friday the Second Advance Estimates of GDP factored in a higher base.

“GDP was revised last year as well as the year before. This growth is on top of that. The real GDP has grown, if you see the revisions which have been made. Therefore, per capita growth has lowered the FY19 GDP growth in the Second Advance Estimate from 7.0 to 6.8%,” Garg said.

On Thursday, the Central Statistics Office (CSO) lowered the FY19 GDP growth in the Second Advance Estimates of national income to 7 per cent from 7.2 per cent in the First Advance Estimates, attributing it to a slowdown in agriculture and manufacturing.

“The GDP was revised last year as well as the year before. This growth is on top of that. The real GDP has grown, if you see the revisions which have been made. Therefore, per capita growth has lowered the FY19 GDP growth in the Second Advance Estimate from 7.0 to 6.8%,” Garg said.

Abhinandan has inspired country with bravery: Vijay Naran

Thrivananthapuram, March 1 (GNS): Kerala Chief Minister Pinarayi Vijayan said on Friday that IAF pilot Abhinandan Varthaman, who shot down a Pakistani F-16 jet, has inspired the entire country with his bravery and conduct.

"It is heartening to learn about the release of Wing Commander Abhinandan. He has inspired the entire country with his bravery. He also shows that India gives hope for peace between the two countries," the CPM leader said.

"On behalf of the people of Kerala, I welcome commander Abhinandan back to Kerala," he added.

The IAF pilot was taken captive in Pakistan when his MiG-21 Bison jet was shot down during a dogfight on February 27.

Ujjain's Mahakal temple bars priest after molestation video goes viral

New Delhi, March 1 (GNS): A parliamentary panel on Friday demanded why the government had not come forward to give reasons for the IAF strikes and had allegedly tried to challenge the law of the land.

The government's defence minister had on Thursday denied that the IAF had been involved in a surgical strike in Uri.

"The Prime Minister had clearly stated that there was no surgical strike in Uri and the government has to come forward to explain what happened. Why has the government not come forward to explain this?

"Based on a specific instance of Uri, the Prime Minister had clearly stated that there was no surgical strike at all, why is the government not coming forward to explain what happened,"

On Thursday, a video went viral showing a priest at Ujjain's Mahakal temple misbehaving with a minor girl.

The temple authorities have decided to bar the priest from entering the temple premises after a video allegedly showing him molesting a minor girl went viral in social media.

"In view of the facts brought to notice by the police and other concerned authorities, we have decided to bar the said person from accessing Mahakal temple premises," the temple authorities said.

"The police have already intimated us that the said person is a priest. We will take action under appropriate laws," they said.

Abhinandan's case:

The Indian military pilot was relieved on Thursday by the Pakistan government after India's military offensive in Pakistan territory.

The pilot was handed over by Pakistan to India on Thursday.

Abhinandan, 33, a Wing Commander with 2700 hours of flight time, had shot down a Pakistani jet during a February 27 dogfight.

Congress had recently moved the Rajya Sabha for declaring Abhinandan as a national hero.

The UPA government had moved a resolution in the Rajya Sabha on Friday for declaring Abhinandan as a national hero.

The Indian government has released the pilot after India's military offensive in Pakistan territory.

Abhinandan's release:

The pilot was also released after India responded with military action against Pakistan on February 27 and 28.

Abhinandan's release:

Advanced brain simulator to understand neurological disorder

In a bid to improve understanding of neurological disorders, researchers have created a brain-like module to task a computing chip manufacturer NVIDIA’s Artifi-
cial Intelligence (AI) compute platform. Development of such brain simulators could increase the level of understanding the brain function and related disorders. Brain simulators that are based on silicon structures in neurons can lead to deficits in brain function and neurological disorders. The team developed a new chip using AI-powered computing hardware designed for 3D games, according to a paper published in the jour-

nal Neuron. The team’s single Graphics Processing Unit (GPU) was able to achieve 15 times the performance of an Intel chip when computing with 270 trillion synapses per second. The team was also able to achieve energy savings greater than 1000:1 for on-chip simulations and more than 100:1 for supercomputer simulations. The application of AI to the brain could help in understanding its complexity and could lead to the design of new therapies for complex neurological conditions.

For Congress, contesting Lok Sabha polls appears to be uphill task

For the Congress party leadership in-BJP ruled Himachal Pradesh, contesting the parlia-

mentary polls appears to be an uphill task. A majority of Congress leaders believe that they will lose in both Kangra and Mandi, the two Lok Sabha seats from the Mandi division, and the senior Congress leader, who did not want to be named, added: “There were no candidates for two seats, divided in two camps – one led by six-time Chief Minister Virbhadra Singh and the other by former Chief Minister Anand Sharma.”

Octogenarian Virbhadra Singh has divided the Congress party in two as he decided to contest the Lok Sabha elections from the Mandi seat he has represented since 1971.

Former state ministers Mukesh Agnihotri and Rana Singh have joined the former party president Sukhwindar Singh Sukhu and are also contesting from the same seat. The Congress has decided to give its ticket to Virbhadra Singh’s son and former Mandi MLA Vishan Chander Rana from Kangra. Virbhadra Singh’s other son, former MP Pratibha Singh, who is facing graft charges, is keen to lead while his younger son and chief minister designate, Virbhadra Singh’s son, is contesting from Kangra.

The senior Congress leader, who did not want to be named, added: “There were no candidates for two seats, divided in two camps – one led by six-time Chief Minister Virbhadra Singh and the other by former Chief Minister Anand Sharma.”

Team Australia riders celebrate winning the men's team pursuit final during the 2013 Track Cycling World Championships in Pruszkow, Poland.

**World No. 1 Naomi Osaka hires new coach**

**Geneva, March 1:** Naomi Osaka hired former hitting partner Darren Cahill as her new coach.

Osaka, 23, who is currently 17th in the world, appointed Cahill as her new coach on Friday after splitting with Evans. The duo are eligible to be considered for the Japan team for the upcoming Davis Cup.

**Ahead of World Cup, India look to continue experiments in Australia series**

**Hyderabad, March 1:** India's cricketers seem to be in a mood to continue with their radical sort of analysis, having any influence on World Cup. Considering the IPL being held in the UAE, the director of operations of Australia cricket team, David Beavan, commented that the team will be more or less in a similar format as seen in the domestic T20 tournament. World Cup team will be more or less the same as the current Indian team which will be playing in the IPL.

**I-League clubs wait for AIFCF, World Cup team requires Kohli’s presence in England**

**New Delhi, March 1:** League clubs are waiting for a meeting with All India Football Federation (AIFCF) chief Praful Patel. With the World Cup reaching its last lap for the 2019-20 season, it is the right time for the AIFCF to make some decisions, say the I-League clubs.

**ICC mulls all-time stump mics for World Cup**

**Sydney, March 1:** Cricket Australia (CA) is considering the IPL-style stump mics for World Cup umpires. CA is looking at the idea of giving stump mics to the players, which is being used by the Indian Premier League (IPL) at the moment.

**Elbow feeling good, says Smith, noting to return to IPL**

**Sydney, March 1:** David Warner is expected to return for the Sydney Sixers against Hobart Hurricanes later this week. Warner is expected to be available for selection after missing the first two games of the BBL due to an elbow injury. The 33-year-old opener has not played a competitive game in more than a year and a half due to a chronic elbow injury.
Actress Parul Yadav, who is playing the lead role in the Kannada remake of the Bollywood film "Queen", says from removing the accused from his position to creating collective consciousness among people regarding sexual harassment at the workplace, #MeToo movement is a positive change in every workplace including film industry.

"The voice of women has been suppressed for years. It is great to see how stories of injustice, humiliation and harassment not only come out in the media but also legal action has been taken. There are film directors who had to stop working unless the legal process gets over. Now no member of the fraternity can get away after committing a crime like sexual harassment," Parul said in an interaction with ANI.

Parul has been working in the south Indian film industry for quite some time and has received many awards for her Kannada film "Iqbal". In the Indian film industry, several actresses like Malayalam actress Parvathy, Bollywood actresses Kangana Ranaut, Nandita Das and Renuka Shahane, among many others, supported the #MeToo movement whereas actress Tanushree Dutta was one of the prominent voices to come forward with her story of sexual harassment against veteran actor Nana Patekar.

Parul said: "This is one of such movements that has given women a voice to take stand against injustice... so that the workplace becomes more secure for all of us." Asked about the actress has ever spoken to Vikas Bahl, the director of "Queen" who is also accused of sexual harassment, the actress said: "When we decided to remake the film in a different language, I had spoken to him once and that’s it. He said that it would be better if I do not watch the film because that might influence me prompt me to copy the original performance, which none of us wants."

The original film "Queen" that released in 2014, has new four versions - Tamil, Telugu, Kannada and Malayalam. While Parul will be playing the Kannada version, Kapil Aggarwal, Tamannah and Manjima Mohan will be in the lead role in Tamil, Telugu and Malayalam versions respectively. The film is slated for release in 2019.

Megastar Aamir Khan on Monday announced his new production, "Rubaru Roshni", which will premiere on the small screen.Aamir, along with his wife Kiran Rao, has produced the feature film, which will premiere on January 26, 2019.

"Hey guys, our next film from Aamir Khan Productions (AKP) is premiering on Star Plus, on January 26, 2019 at 11 am. It’s something that Kiran and I have produced, and which we are very close to. ‘Rubaru Roshni’.

Don’t miss it," tweeted Aamir, who made his small screen debut with "Satyamev Jayate". The film is directed by Swati Chakravarty.Aamir, who faced failure this year with "Thugs of Hindostan", also shared a video clip, in which he said: "On Republic Day, what are you doing? I mean, after the flag hoisting because I have a plan for you." I would like to present a very special thing in front of you. No it is not a new episode of ‘Satyamev Jayate’, but if touches the heart only then it will make sense, so let us meet on January 26."
Hyderabad, March 1: Health Minister E. K. Ramaiah today said that the government aims to provide the best health and education facilities to all the people. He visited NIMS here and inspected various projects under implementation.

The minister interacted with the patients on the inauguration of various state-of-the-art facilities being provided in the NIMS hospital. Chief Minister K. Chandrashekar Rao is for providing quality education and health services to all in the state, he said. We have taken steps for better facilities and infrastructure in government hospitals, he said. On getting state-of-the-art facilities, the minister said that as per the instruction of the Prime Minister, particularly in the districts, the ministry will have a follow-up regarding by conducting surprise visits and ensuring that the works are completed within six months.

Principal Secretary Municipal Administration Arvind Kumar, speaking at the launch, said that the flyover would work as a link to transport, traffic congestion, ease of living aspect, drinking water and road plan as well. Strengthening health care facilities is an important agenda, he said.

The health minister also said that more funds will be allocated to the health departments to improve the services for the people.

**Comprehensive Master Plan for Hyd:** CS holding meeting with officials

Hyderabad, March 1: In tune with the Chief Minister’s vision for bringing a transformative and innovative change of Hyderabad, a high-level preparatory meeting with all the line departments was held at the secretariat today. Presiding over the meeting, the minister briefed the participants about the existing programmes and urged MSME and State Government officials in addition to the aspiring and existing entrepreneurs in the city to participate in the programmes.

He further informed that the officers of MSME-DIs who are going to conduct programmes would be put in touch with MSME-DI, District, DIC-EDC, Block level officials, and urged MSME and State Government officials in addition to the aspiring and existing entrepreneurs in the city to participate in the programmes.

He also requested the officers of MSME-DIs who have attended the training camp held in Lushington, Hyderabad, to approach the officers of DICs, MSME-DIs, and lawyers' associations for regular meetings.

The health minister also said. On getting state-of-the-art facilities and in-

Students display skills at Tek Fest

CITY BUREAU, HYDERABAD

Students of Maulana Azad National Urdu University (MANUU) from various technical and science background exhibited their skills and talents while displaying innovative projects and ideas at annual Azad Tek Fest 2019.

The university organised the fest in connection with the National Urdu Science Congress at ITI and Polytechnic college on the campus. It was inaugurated by eminent scholar, Dr Qazi Siraj Azhar, Michigan University, US and Dr Mohammad Aslam Parvaiz, Vice-Chancellor, MANUU.

Students of Polytechnic and ITI courses presented expertise achieved by them in different branches of engineering and trades.

Models such as generation of wireless electricity, LiFi, solenoid engine, IoTs, robots, latest bridge construction technologies, green house, sewage treatment plant for MANUU, precast techniques in construction and software projects like staff leave management system etc to name few were developed by students.

School students from around five Urdu medium schools from Hyderabad also presented their innovative projects in the Tek Fest.

Dr. Aslam Parvaiz and Dr. Qazi Siraj Azhar keenly observed all the projects and inquired in detail about their efficacy and uniqueness. Both of them were highly impressed and amazed by the talent & skills demonstrated by Urdu medium students.
