CIRCULAR

Sub: Participation by the teachers from CTEs/Satellite Campuses in the Meetings of RAC/Board of Studies/School Boards etc.

As a part of austerity measures, it has been decided to restrict the participation of teachers from Satellite Campuses, CTEs in the Departmental and School level meetings of the teaching Departments and School of Studies. All Heads of Departments and Deans of School of Studies at Main Campus are requested to invite the outstation teachers only when their presence is unavoidable. However, the meeting agendas shall be sent to the teacher member concerned inviting their written comments and feedbacks for the such official meetings.

The HoDs/Deans are requested to use the ICT such as Skype or Video conference facilities available to them during such meetings to allow the outstation members from MANUU.

The matter will be reviewed once the financial position improves.
