**Subject - Professional Development Programme on Online Teaching, Learning and Assessment with Open Educational Resources, Education Technology Tools & Moodle MOOC Platform**

Dear Sir / Madam,

Greetings from Instructional Media Centre,

IMC is conducting a three days **Professional Development Programme on Online Teaching, Learning and Assessment with Open Education Resources** from 27-29 November 2017 at CPDUMT Auditorium.

The aim of three-days workshop is to build the capacity of Faculty to design, transact, assess and deliver courses online in different disciplines with Educational Technology Tools, Open Educational Resources (OER) and constructivist pedagogy based on Free Open Source Moodle-MOOC platform. The general objective of workshop is to raise the capacity of faculty to use MOOC platform for effective delivery of courses in higher education in blended as well as online modes. This workshop is a great starting point for effective teaching in the 21st century learning environment.

As you are kindly aware, Digital technology of online education has the possibility to revolutionize higher education scenario in near future and It is important to equip ourselves with future possibilities and challenges in Higher education .

Following are the objectives of workshop-

1. To enable participants to learn using FOSS tool Moodle through hands-on-experience
2. To train the participants to use Moodle-MOOC as an adjunct to face-to-face teaching and to teach in a fully online or distance learning context and to get a feel for how their courses could be enhanced using Moodle- MOOC platform;
3. To understand the process of planning, designing and implementing online courses in line with SWAYAM MOOC requirements
4. To create better, active communication and collaboration with the students and to design and manage learning assessment using Moodle MOOC Platform
5. To orient the OER based e-learning
