Respected Sir/Madam,

We are happy to extend industrial interface to your students undergoing ITI in the discipline of Refrigeration & Air-Conditioning.

This interface will help the student to understand the current and the future technologies with the real feel of the functionality and will help the candidates to address the interview and boost their confidence when he attends the job.

This program is for 45 days. The list of candidates attended the training along with attendance will be given for your immediate reference.

Warm Regards
