Press Release

18th June, 2019

New Paramedical Programmes in MANUU

Hyderabad:

Maulana Azad National Urdu University has introduced Bachelor of Vocational courses, Medical Laboratory Technology (MLT) and Medical Imaging Technology (MIT) under National Skill Qualification Frame Work (NSQF) programme.

According to Dr. S. Maqbool Ahmed, Nodal Officer, Students have opportunity to exit after first year as Diploma and after second year as Advanced Diploma. Both these three year degree courses have tremendous job opportunities in corporate, government hospitals, pathology labs, diagnostic centres and health centres. Selected students shall be trained in reputed corporate hospitals of Hyderabad.

Students who have completed 10+2/higher secondary/intermediate with science subjects are eligible to apply. Limited seats are available. Hostel facility shall be provided to out station candidates subject to the availability. Last date for filled in online application forms is 30th June, 2019.

For details visit University website www.manuu.ac.in or send query on email maqboolmanuu@yahoo.com.

Meanwhile, submission of application for various other merit based courses at undergraduate, post graduate level will also continue till 30th June.
