

TITULAR REMINDER

WITH THE face-off between Maulana Azad National Urdu University chancellor and vice-chancellor showing no signs of abating, the Higher Education Secretary is learnt to have met the varsity's chancellor, Firoz Bakht Ahmed, this week. Apparently, Ahmed was told that under the Universities Act the chancellor has a titular role and no predecessors have ever had a complaint with that. As for his allegations of corruption against the V-C, the ministry has told Ahmed that it will look into the issue and conduct an inquiry, if required.
